Journal of the Torrey Botanical Society 126(4), 1999, pp. 378–381

INDEX TO VOLUME 126, 1999

A survey of allozymic variation among three members of the *Sagittaria graminea* complex (Alismataceae) from the southeastern United States, 181
A rhizomatous, perennial form of *Microstegium vimineum* (Trin.) A. Camus in New Jersey, 352
A floristic survey of vascular plants of the Bronx River Parkway Reservation in Westchester, New York: compilation 1973–1998, 359
ABRAMS, MARC D., logging impacts in hemlock-white pine-northern hardwood forest, 234
Acer saccharum, radial growth affected by beech bark disease, 245
Advances in Angiosperm Systematics: Examples from the Lilliales and Asparagales, WENDY B. ZOMLEFER, 58
Advances in angiosperm systematics: Examples from the Lilliales and Asparagales, 58
Agalinis skinneriana, reproductive biology, 289
Age structure and radial growth in xeric pine-oak forests in western Great Smoky Mountains National Park, 139
Alismataceae, allozymic variation in the *Sagittaria graminea* complex, 181
Allegheny Plateau, logging impacts in hemlock-white pine-northern hardwood forest, 234; *Acer saccharum* radial growth affected by beech bark disease, 245; *Cornus florida* occurrence and mortality by dogwood anthracnose, 313
Alliaria petiolata, growth and photosynthetic response, 9
allozymic variation, in the *Sagittaria graminea* complex, 181
Anacardiaceae, *Rhus aromatica* and *R. glabra* pericarp ontogeny and anatomy, 279
anatomy, pericarp of *Rhus aromatica* and *R. glabra*, 279
ANDERSON, ROGER C., *Alliaria petiolata* growth and photosynthetic response, 9
angiosperm, Lilliales and Asparagales systematics, 58
Appalachian, long-term patterns in vegetation-site relationships, 320
Appalachian Valley and Ridge province, vegetation of boulder streams, 188
Arkansas, pine-oak forest structure and short-term dynamics, 32
Asparagales, systematics, 58
Assessing the potential for competition on a coastal beach and the significance of variable seed mass in *Triplasis purpurea*, 296
Atlantic white cedar swamps, size-class structure and hardwood recruitment, 268

BARCLAY, JOHN S., Robins Island plant communities and flora, 63
BARNES, WILLIAM J., *Phalaris arundinacea* population growth and impact on riverbottom herbs, 133
BASKIN, CAROL C., seed germination of *Solidago shortii*, 117; survivorship and flowering of *Solidago shortii*, 124; pericarp ontogeny and anatomy, 279
BASKIN, JERRY M., seed germination of *Solidago shortii*, 117; survivorship and flowering of *Solidago shortii*, 124; pericarp ontogeny and anatomy, 279
BEATTY, SUSAN W., old field/forest edge influence on forest understory, 335
beech bark disease, effects on *Acer saccharum* radial growth, 245
BOGNAR, JOHN A., size-class structure and hardwood recruitment in Atlantic white cedar swamps of the New Jersey pinelands, 268
boulder streams, vegetation, 188
BOWSER, YVONNE HALL, coarse woody debris in *Pinus ponderosa* stands, 255
BOYD, ROBERT S., reproductive biology *Clematis socialis*, 107
Bronx River Parkway Reservation, a floristic survey, 359
BRUEDERLE, LEO P., *Carex mitchelliana* genetic differentiation and conservation, 1
BUTLER, BRETT J., Robins Island plant communities and flora, 63

CAIN, MICHAEL. D., pine-oak forest structure and short-term dynamics, 32
Carex mitchelliana, genetic differentiation and conservation, 1
Changes in páramo vegetation along an elevation gradient in southern Ecuador, 159
CHEPLICK, GREGORY P., *Triplasis purpurea* seed mass variability and competition, 296
Chile, *Fitzroya cupressoides* forest composition and structure, 49
chlorophyll fluorescence, in *Torreya taxifolia*, 93
Clematis socialis, reproductive biology, 107
CO_2 fixation, in *Torreya taxifolia*, 93
Coarse woody debris in mature *Pinus ponderosa* stands in Colorado, 255
Colorado, coarse woody debris in *Pinus ponderosa* stands, 255
competition, seed mass in *Triplasis purpurea*, 296
Composition and structure of remnant *Fitzroya cupressoides* forests of southern Chile's Central Depression, 49
conservation, genetic differentiation in *Carex mitchelliana*, 1
Contrasting vegetation of noses and hollows in the Valley and Ridge province, southwestern Virginia, 197
Cornus florida, occurrence and mortality by dogwood anthracnose, 313
Cyperaceae, *Carex mitchelliana* genetic differentiation and conservation, 1

dendroecology, logging impacts in hemlock-white pine-northern hardwood forest, 234
DHILLION, SHIVCHARN S., *Alliaria petiolata* growth and photosynthetic response, 9
DIERINGER, GREGG, *Agalinis skinneriana* reproductive biology, 289
DiGREGORIO, LINA M., *Acer saccharum* radial growth affected by beech bark disease, 245
Discula destructiva, *Cornus florida* occurrence and mortality, 313
Diurnal patterns of chlorophyll fluorescence and CO_2
